Questions & Answers

Dear Splash,
I don't understand why we have to wear shoes at the Open Water but not in the pool.

A puzzled swimmer

Dear swimmer,
Open water has far too many hazards which you can not see so it is important to wear protective footwear. The pool is clear and has far less threat of dangers

Dear Splash,
I have lost one of my certificates, can I get a replacement and if so will it cost me a lot of money.

Anonymous Swimmer

Dear Swimmer,
Your certificate can be replaced for a fee. Please see Elaine and she will sort it out for you.

Don't Forget

Your 1st Open Water is on
Sunday 17th May 2009 at

DON'T BE LATE!!!

Dear Splash,
I am really worried as I was told I would have to take a written exam at the end of the season. Is this true?
Liam :-)

Dear Liam
Relax.. There are no written exams to do, you are assessed throughout the year. But if your still worried see one of your teachers and they will explain to you what is needed from you.
